

THE JUDAIC STUDIES HELP DESK

PRESENTS:

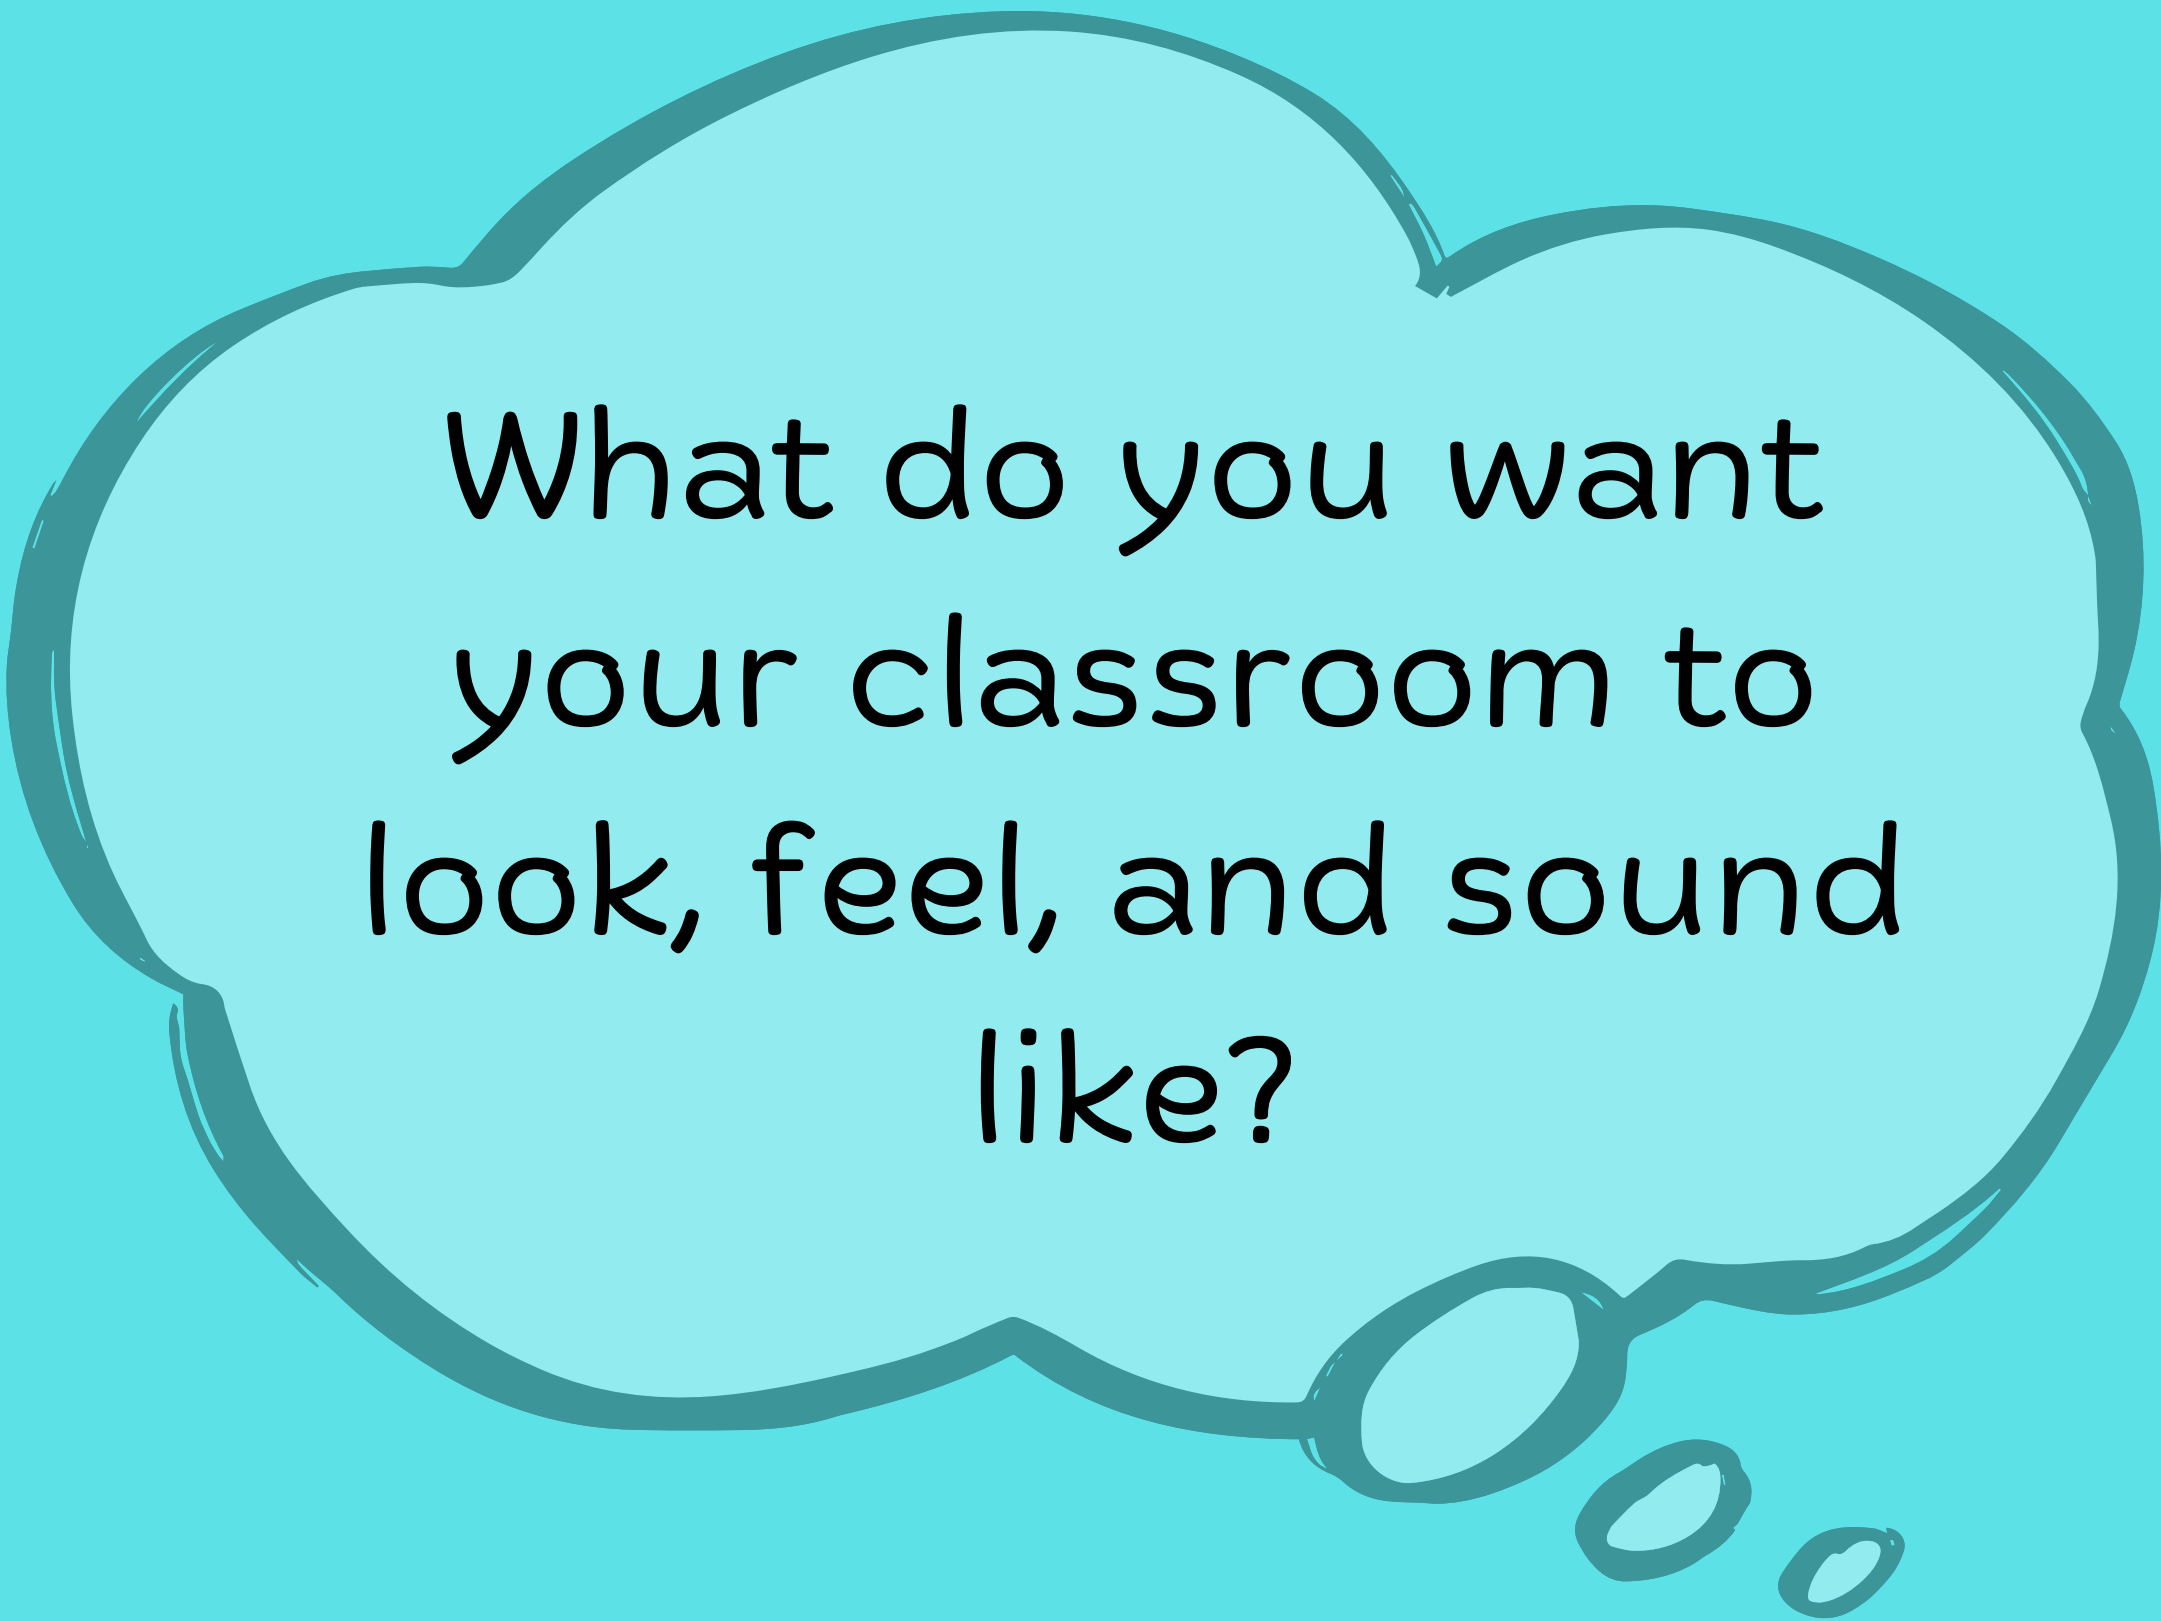

SUMMER PREP TIP #7:

**PLAN YOUR
CLASSROOM
PROCEDURES**

www.judaicshelpdesk.com

STEP 1: IDENTIFY EXPECTATIONS

What do you want
your classroom to
look, feel, and sound
like?

STEP 2: OUTLINE SPECIFIC PROCEDURES

When students enter the classroom, they will:

If a student needs to leave the classroom, he/she will:

When transitioning between different learning activities, students will:

If a student is absent and misses an assignment, he/she will:

STEP 3: PRACTICE, PRACTICE, PRACTICE!

Explain the procedures to your students, one at a time

Model what successful implementation looks like

Practice multiple times until it becomes second nature!
(Yes, even with high schoolers!)

For more ideas, be in touch!
