

THE JUDAIC STUDIES HELP DESK

PRESENTS:

SUMMER PREP TIP #6:

**MAKE A SUB PLAN
(OR TWO)**

www.judaicshelpdesk.com

AN EFFECTIVE SUB PLAN IS:

- **Relevant** – tied to the course, but not necessarily a part of the curriculum
- **Independent** – doesn't require prior knowledge and stands alone as a complete unit
- **Straightforward** – easy to implement without a lot of materials

FOR EXAMPLE:

Lower School Parsha - take a peek into the life of Rashi

Middle School Tanakh - explore a familiar *perek* of Tehilim

High School Gemara - review common vocabulary words using a Jastrow dictionary
